

Think Steel Tubes. Think LKA Tubes.

At LKA Tubes we offer galvanised, red oxide, self-coloured steel tube in medium and heavyweight 6.5m and 3.25m lengths.

All our steel tube is dual certified and conforms to EN10255 / EN10217.

Our in-house team can groove, thread, and cut to length steel tube to your exact requirements.

We provide flexible delivery schedules so we can get your products to you within 24-48 hours of placing an order.

Slotted Channel and Threaded Rod

Holding large stocks at our steel tube warehouse, we can also provide slotted channel and threaded rod to complete your order.

All delivered nationwide by our own vehicle fleet, with flexible delivery dates to save you both time and money.

So, the next time you think about steel tube, think about LKA Tubes.
